NFB Filmstrips

A Complete Checklist for Teachers

This is an up-to-the-minute list of all the National Film Board filmstrips presently available for classroom use. We designed it to meet the teacher's need for a title list that would take little room and could be kept handy for quick reference.

For more complete information about any filmstrips on this list, look in your NFB filmstrip catalogue, a new edition of which will soon be ready. To obtain a new catalogue return the catalogue request card that we sent to you recently.

To order filmstrips, write to:

Canadian Division
National Film Board of Canada
P.O. Box 6100

The prices are \$4.00 for color filmstrips, and \$2.00 for black-and-white filmstrips.
